Huntin' 'Around 'bout for holiday bargains

"We're always changin'. Right?"

"Hey, look at everything around us. Did you see the same things yesterday?"

"Well, then there's your proof. People, places and things change in this fast-paced society."

CHS visited the Southlake Mall in December, to discover how the whole environment is changin'.

Christmas decorations were on display, and Santa was already taking orders. Inflation was giving prices a push, and we were required to dig deeper into our pockets.

Although the biggest attraction at the Mall was the 135 different stores, students stopped to enjoy the Christmas trimmings.

Left: "Look at that price!" says Tony Hardesty to Laura Garibay.

ENJOYIN'

CHSers attempt the good life!

"Enjoyin' life" is a motto that one should live by. No matter how hard we try, we all feel the need to improve our approach to fun.

However, we soon realize that we can only do our best. After all, the fun is in our attempt.

"Enjoyin'" school activities can be fun and interesting. Beating the "old grind" helps to break the monotony of the schoolday routine.

Daily and nightly activities during the school year included Spirit Week, Homecoming, plays, turnabout, concerts, banquets, Graduation and Prom. A smorgasbord of fun!

The pursuit of fun is a serious business. "Enjoyin'" was an intricate part of CHS student life.

Tauber wins court title

Graduates and students gathered at Homecoming to celebrate the Warriors' first win of the season. The CHS squad beat Gary Emerson, 20-14, on Friday, September 19.

Halftime was celebrated by the crowning of Kim Tauber, senior, as the 1980 Homecoming Queen. Kim was a member of Student Council and Pep Club.

The annual parade was held prior to the game. Decorated cars and floats gathered at the school at 4:30 p.m. "Warriors on the War Path," the senior entry, was the winning float. Second place honors were given to OEA for their theme, "File it under Victory." And third place the Cheerleaders for "Blow'Em Away."

Puff, Revue accent week

Pep Sessions, Homecoming Revue and Powder Puff brought excitement to the annual Spirit Week celebration on September 15 to 19.

The 1950's were the rage on Monday, as CHSers dressed in attire of the period. Cowboys and Indians invaded Calumet on Tuesday, and on Thursday students dressed as their favorite punk rocker. Red and White were the colors students chose for Friday.

The Junior-Freshman Team won the annual powder puff game against the Sophomore-Senior Squad by a score of 16-14.

Mr. Paul Borlick, faculty member, attempted to raise student morale with his traditional speech at the pep session on Friday.

"A Dawn Of A Decade" was the theme for the book. The book contained four pages of full color. Approximately 420 books were sold during the campaign in the fall of '79.

In the spring, the 1981 class performed "Be Happy, Go Wacky!" The production was given on April 10 at 7 p.m. and during fifth and sixth hours.

The story was based on a family with mischievous twins who lived by the title's motto, "Be Happy, Go Wacky!"

Senior Bobbi Jo Jones served as student director. Michael Wertz was assistant director and prompter. Daphne Schoon was the cast's business manager.

Miss Johnnie McCray was sponsor for the production.

WINNIN'

Philosophy on winnin'?

What do we mean by winnin'? Is it merely scoring the most points, or is it by the way we play the game?

Yes, you're right. It is the way we play the game!

In order to win, one must put all of his/her efforts toward playing fairly, honestly and with active enthusiasm.

What really counts is sportsmanship. That is:

1. Playing by the rules.
2. Having faith in your teammates.
3. Controlling your temper.
4. Staying in good shape.
5. Having a "stout heart" in defeat.
6. Avoiding boastfulness in victory.
7. Retaining a sound soul, a clean mind and a healthy body.
8. Playing the game.

BOOKIN'

Did you bring
an extra pencil?

Wow! I can't believe what my eyes are seeing! Yes, in this day and age students are studying.

Well, I guess we all know why.

Perhaps, everyone is finally realizing the necessity of an education. However, the only way to receive one is by cracking those text books.

Gee, there are so many things we can learn.

The wide variety of areas at CHS should create interest. Whether in mathematics, English, history, science, art, practical arts, foreign languages or industrial arts, the choices are many.

Grammatically speaking???

Parley-vous francais? Hablas tu espanol? Sprecken sie deutsche? Students at Calumet were offered three different foreign languages in order to find the answers to those questions. Courses included Spanish I and II; French I, II, and III; German I, II and III.

Mr. Steven France, German instructor, was added to the department in the fall.

English courses included three years of required classes. Electives in the department were offered in journalism, yearbook, newspaper, senior English and speech.

Solving one's way in life!

What's your type? CHS freshmen pondered this question when Biology I took a blood sample and typed their blood for a classroom assignment.

Senior Richard Koscielski won the annual CHS Bausch and Lomb honors. The senior was recognized as holding the highest scholastic standing in science classes while at CHS.

Freshmen Ted Panayi and Bill White participated in a calculator contest at Indiana University.

Read a good book lately?

This year Mrs. Karen Harwood became the new reading teacher.

Two shadow scopes were purchased to help improve speed reading. Other equipment used was a video display and tape recorders.

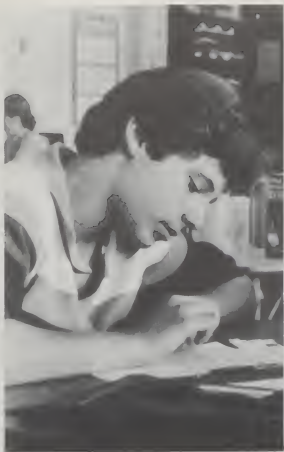

Among those students enrolled in reading laboratory, 76 percent improved in the first semester. During the second semester 86 percent improved.

The library provided services for students and faculty. Movies, such as "Carrie," "The Wiz," and "Three Hundred Spartans," was shown during the lunch hours.

CHS stresses keeping fit

Life sports and the rules of the road were two concerns of drivers' education and physical education during the school year.

Physical education incorporated life sports, along with team sports. Life sports included units of tennis, ping pong, racquet ball, badminton, and golf. Team sports included units in volleyball, baseball, softball, basketball, football and gymnastics.

Learning job skills at CHS

Vocational classes held many projects throughout the year. Graphic arts began printing the "Warrior" newspaper for the first time this year.

Health Occupations held their annual blood drive during the month of April.

Office Education Association and Vocational Industrial Clubs of America (ICT) participated in regional contests. Senior James VanDyke placed third in the state body and fender competition in Indianapolis.

Members of Office Education Association traveled to the national contest on May 3 to 5.

The Vocational Department held their annual employee banquet on April 15 at the Greek Hall.

This year the Vocational Department was also evaluated by the State Board of Vocational Technical Education. An evaluation process takes place every five years. Mr. Joe Portman's ICT was cited as a state model.

JOININ'

Groups provide CHS involvement

Joinin' in on all the work, fun and the feeling of belonging was an important function of Calumet's organizations. Clubs provided the opportunity for students to become involved in a wide variety of activities.

Groups geared to academics, service and vocational areas sponsored various activities during the year.

Student Council was especially active with Homecoming, a hostage recognition day, and a week of observance for education.

Vocational groups sold a number of items to finance their trips to state and national contests.

All in all, joinin' was a painless, and often a pleasant process.

Bright groups add members

Honoraries were active during the year selling candy, holding bake sales, and inducting new members.

National Honor Society sold candy in the cafeteria during both lunch hours and raised enough money for members to travel to Chicago to view the play "Evita." The society inducted 40 new members at a candlelight ceremony in May.

Quill and Scroll gained 13 new members at the journalism banquet. The society held bake sales during the year to finance the annual honors dinner. Members of both the yearbook and newspaper staffs were honored at the annual spring affair.

Biology and Chemistry Clubs were active during the year. Together, the two clubs combined their efforts and entered a float in the annual Homecoming Parade.

Biology club members visited I.U. Northwest for a science seminar in November.

In April Chemistry Club went to Jones and Laughlin Steel for their annual field trip.

Both groups experienced an added treat in April when Terry Burhans, weatherman of WMAQ TV, came to CHS to discuss methods of predicting the weather.

Clubs stress work skills

The school year proved to be an active one for clubs Office Education Association (OEA) and Industrial Cooperative Training (ICT).

OEA kept busy by selling items such as M&M's, Life Saver Lollipops, candy canes, weeples, stuffed animals and Valentine Carnations for Your "Sweetheart". All profits from the fund raisers were used to finance the group's trip to Texas for the national contest.

ICT assisted C-Teens with the Thanksgiving and Christmas baskets. The organization also helped with the annual Candlelight Reflections dance.

Six members of ICT were interviewed by the State Vocational Evaluating Team. The group also attended a formal breakfast at Ponderosa.

Both organizations attended the annual Vocational Banquet in April.

Yelling your lungs out!

What makes a good cheerleader? Usually one with pep, excitement, exuberance, and "tons" of school spirit! This year the CHS cheerleaders attempted to boost spirit among students and Calumet's football and basketball teams.

The group was active throughout the year. Members sold ribbons for Homecoming and sectional. They also sold hats, candles, spices, buttons and class necklaces.

On November 8, the varsity, junior varsity, and freshman squads attended a cheerleading workshop sponsored by the Indiana State Cheerleaders, and the group won a trophy.

Peppy groups spur spirit

Pom Pons held high, the CHS Warriorettes performed at several pep assemblies, basketball games and halftime programs throughout the year.

The group members sold various times such as pom pons, posters and candy sticks during the year to raise funds for new uniforms.

On November 5, tryouts were held to fill eight vacant spots on the squad.

Also generating school spirit, Junior Varsity and Freshman squad members sold ribbons, buttons, hats, candles, spices and other items during the school year.

When the squads attended the cheerleading camp at Valparaiso University, the J.V. squad was awarded four second place ribbons, and the Freshman squad also acquired four second place ribbons.

Doing a good deed was a major activity for the C-Teens during the school year. The all-girl club kept busy throughout the year.

In an effort to help needy families, the club members made Thanksgiving and Christmas baskets. They also made Halloween treat bags, and Easter baskets for head-start children.

During the Christmas holiday, the group went caroling at the Wildwood Nursing Home.

On May 2, the group went to Marriott's Great America, for their annual spring trip.

Changin'?

SMILIN'

Personalities grow as years progress

Look at all those smilin' faces this year. Everyone's giving it the "Ear to Ear Grin!"

Do you all know why everyone is full of joy and laughter?

Perhaps it's the process of growing and maturing, day by day. It's time to ponder about the future, and what life has in store for us. As we look back, CHS will be only a small part of our total life. However, the choices are many, and the time is short.

Therefore, part your hair, and say "Cheese."

Keep smilin'!

Economic road sometimes rocky

We are embarking on a new economic concept with the election of President Reagan.

A reversal of the FDR New Deal approach, the new administration has stressed fiscal responsibility.

Perhaps, we will see trying times, between now and 1986. However, in the long run, perhaps it will result in a "rosier" future.

Possibly graduates may have some trouble finding employment. However, additional education may make the job market less hostile.

Just as you receive your diploma, and you think that the hardest part is behind, reality strikes. Life stretches before you.

The first drastic decision? What course will your life take? One must begin making plans concerning mar-

riage, college, work or vocational training.

Soon you will be on your own. You will be supporting yourself in an economy with rising inflation.

We often believe that our school years are packed with life's biggest changes.

However, the biggest change comes after that diploma is presented.

Yes, we are changin'!

We would like to thank Mr. James Spasoff and Mr. Derald Ailes.
